

DAEDALUS '80

Life
so many phases
The phases
played in harmony
Complementing each other like
the notes of a song.

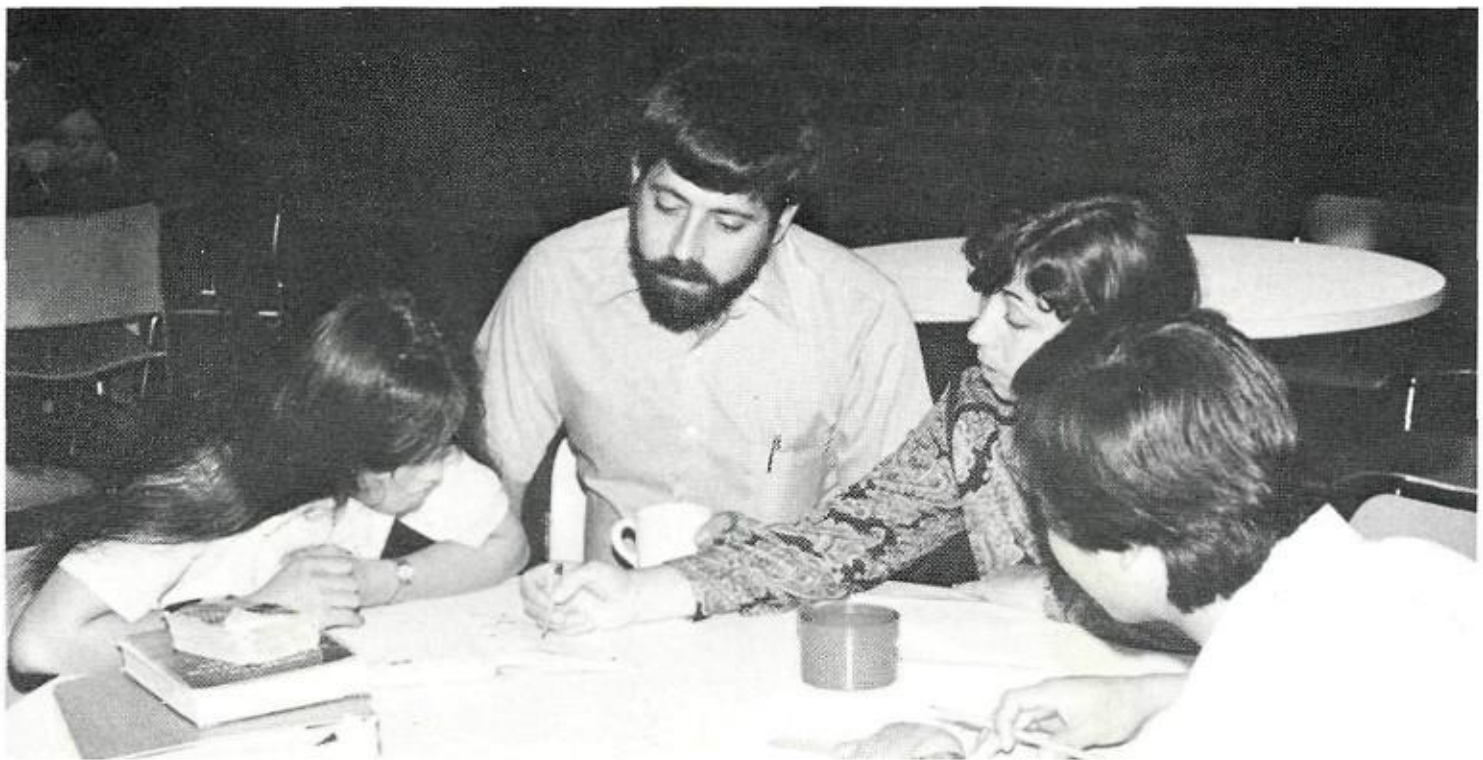

We change
take on new challenges
Growing
from children to adults.

And we've begun
begun with the sunset
The end—which leads to our beginning
in singing the SONGS OF LIFE.

We've Only . . .

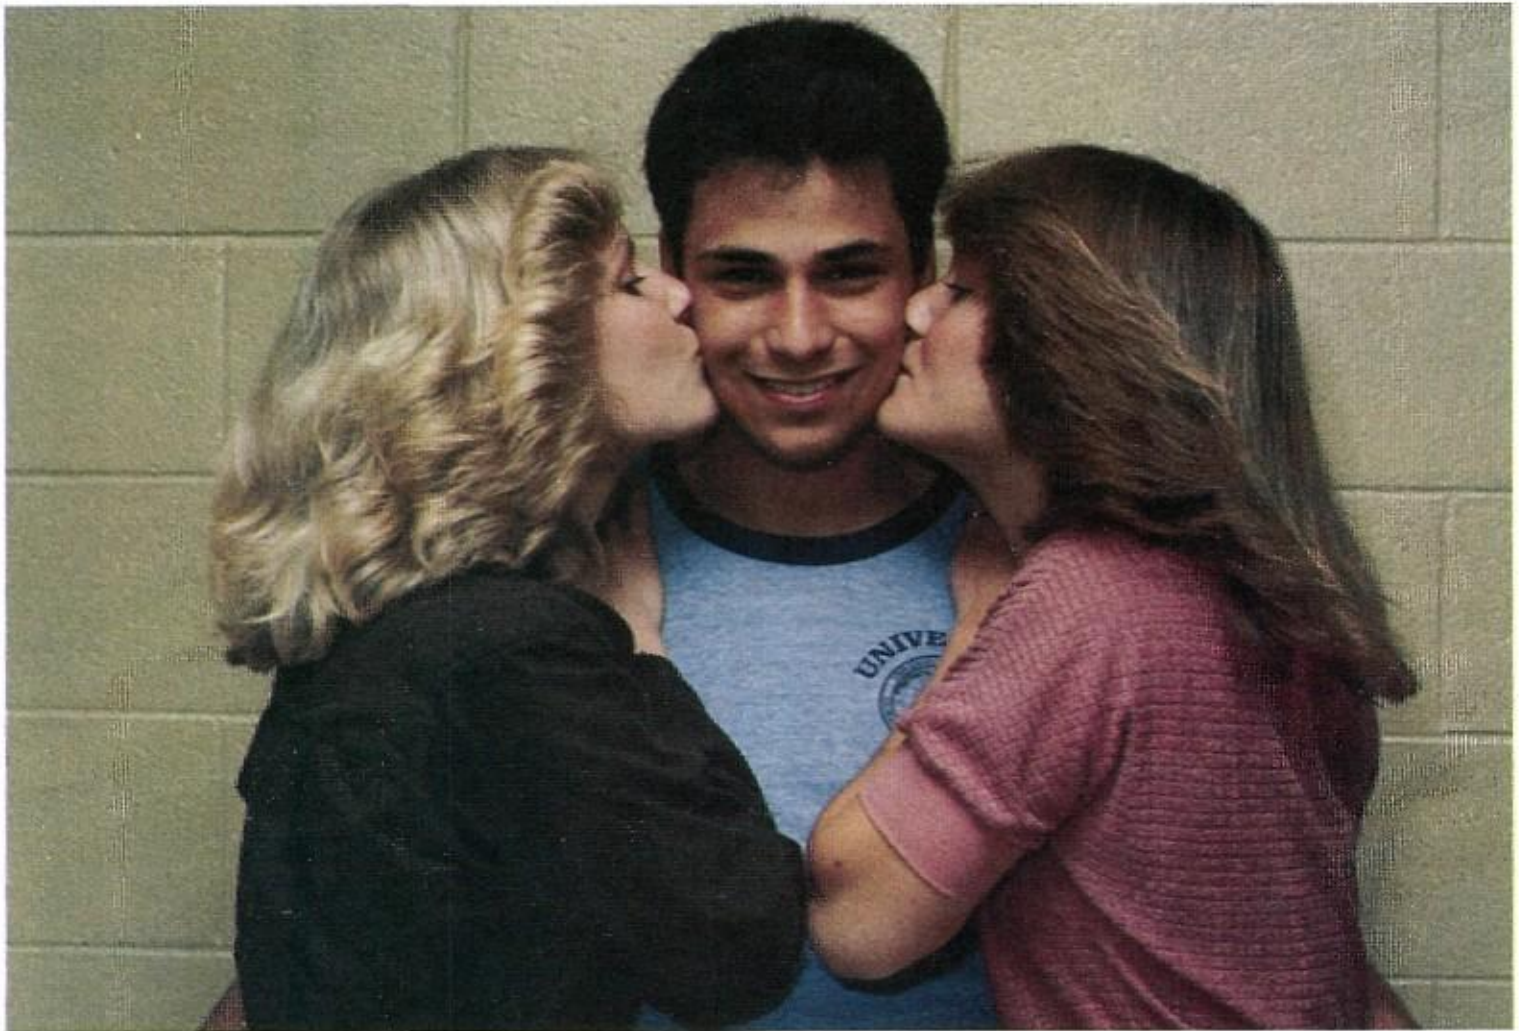

. . . Just Begun

To Live . . .

. . . White Lace and Promises

A Kiss for Luck . . .

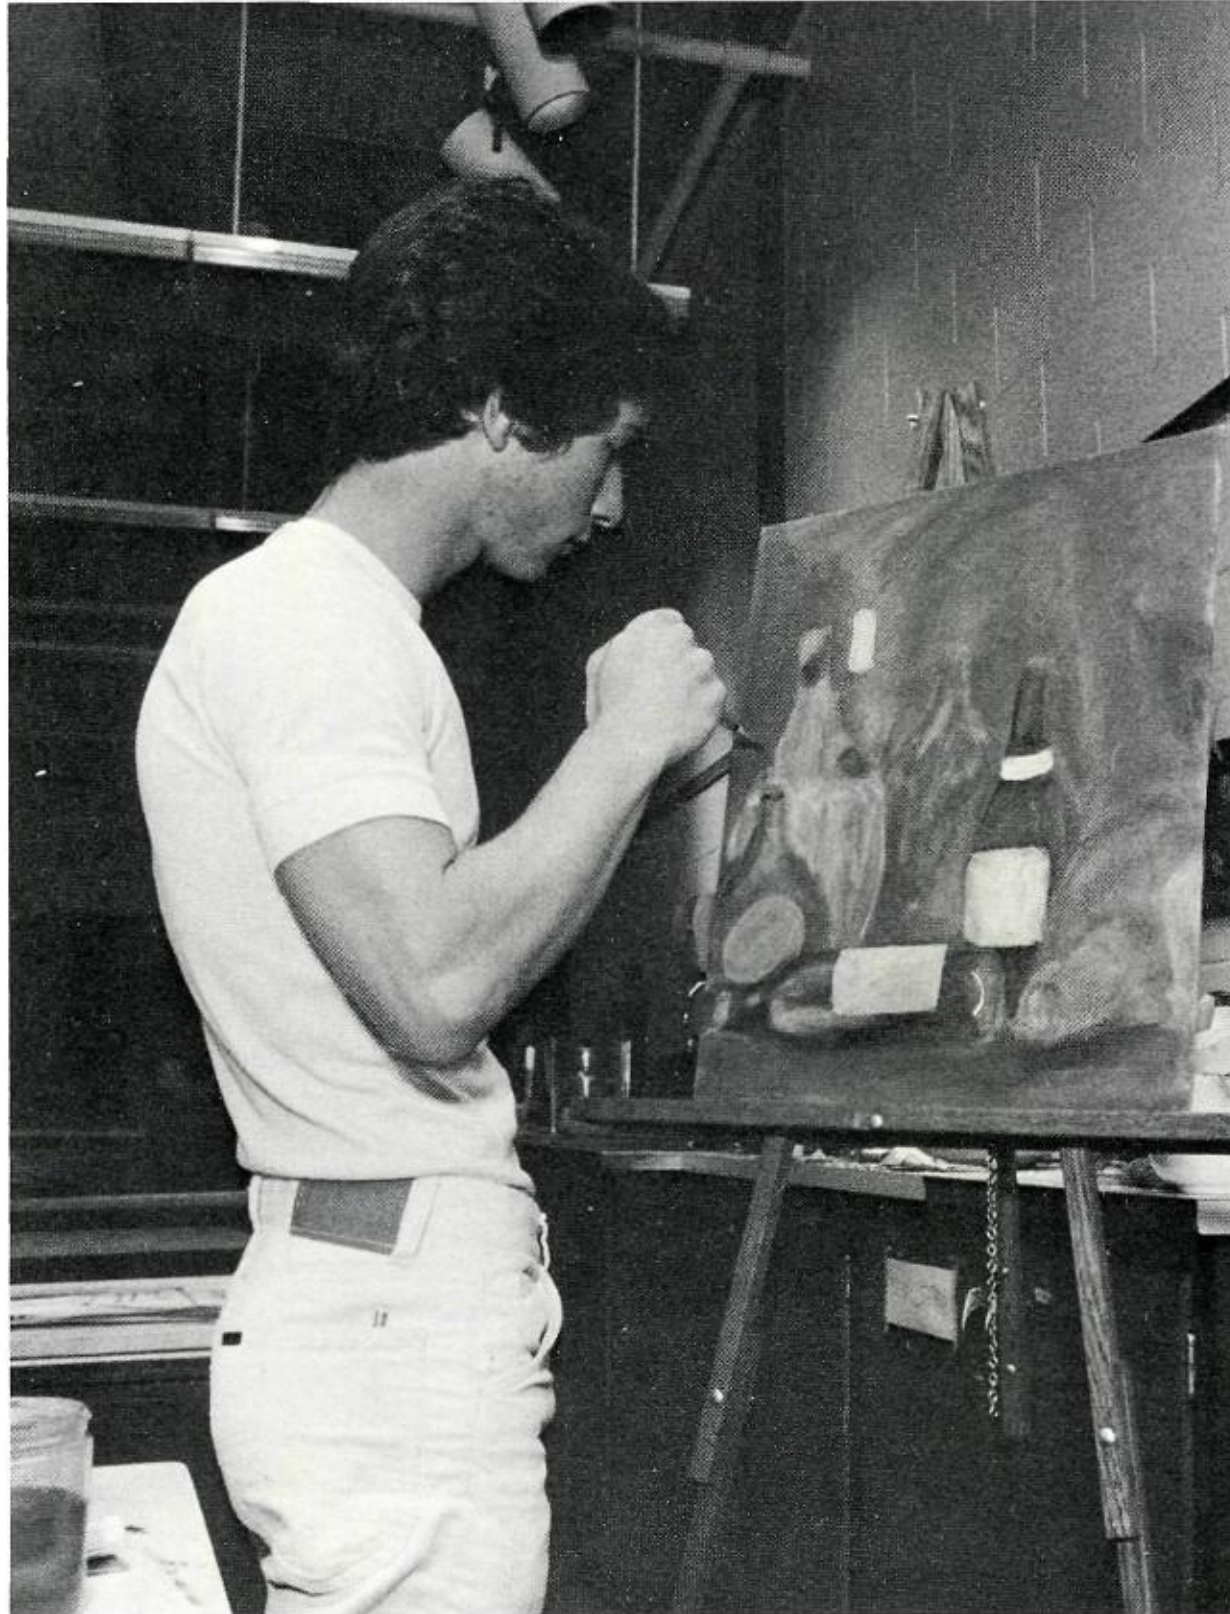

. . . And We're on Our Way

Before . . .

. . . The Rising Sun

We Fly . . .

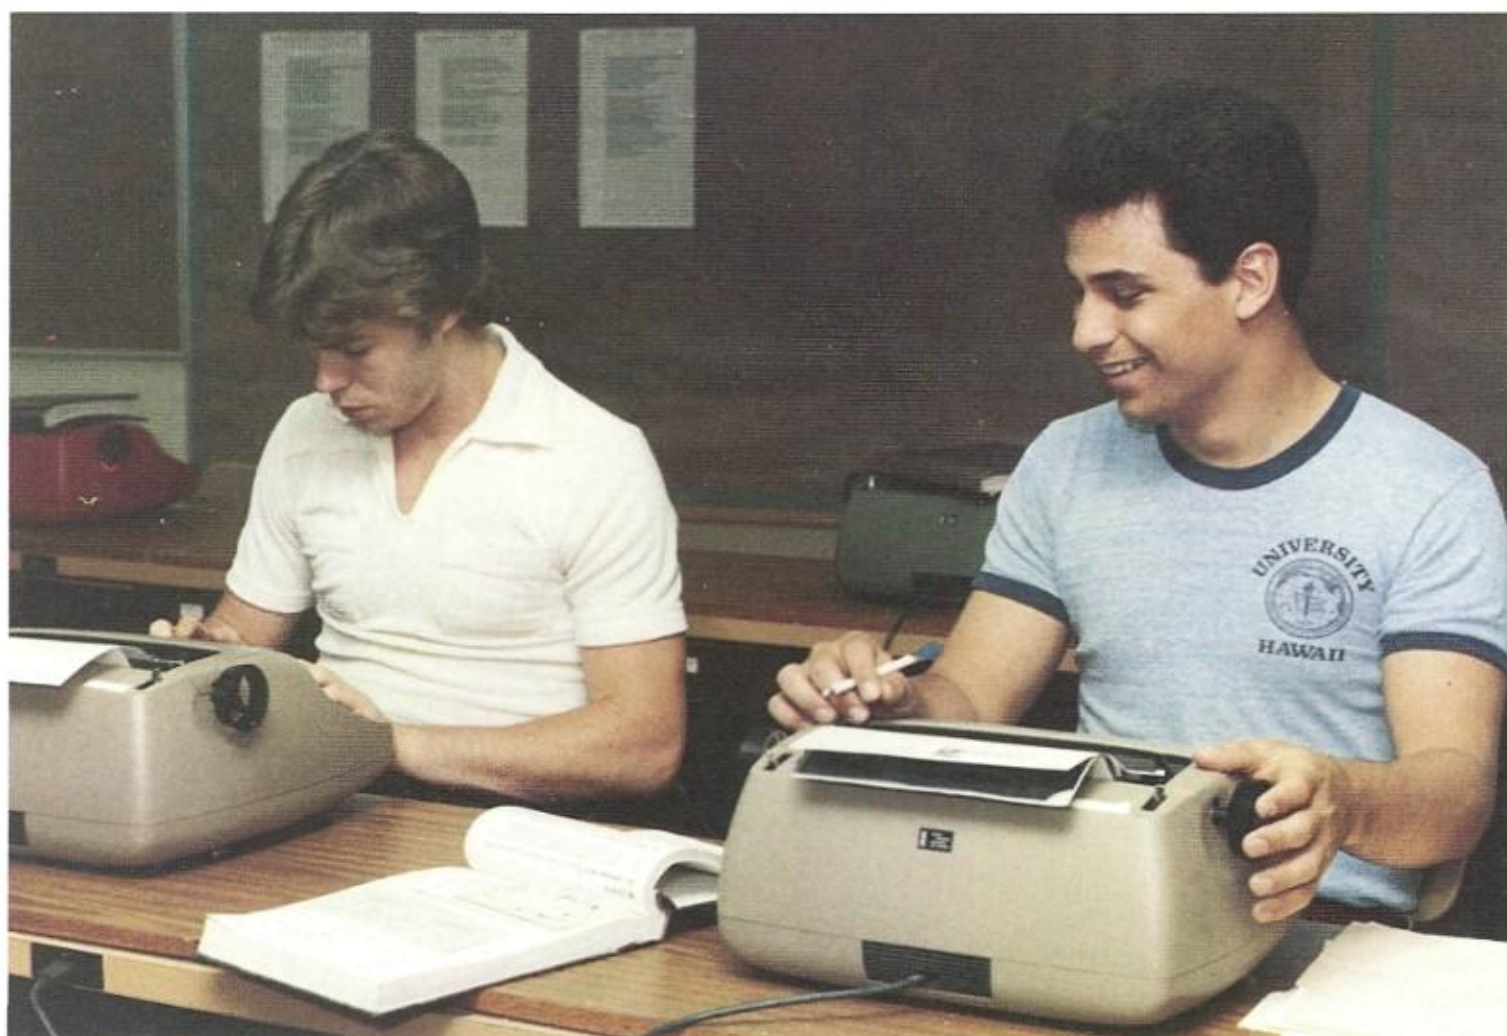

. . . So Many Roads to Choose

We Start Out Walking . . .

. . . And Learn to Run

Sharing Horizons That Are . . .

. . . New to Us

Watching the Signs . . .

. . . Along the Way

Talking It Over . . .

. . . Just the Few of Us

Working Together Day to Day . . .

. . . Together . . . Together . . .

And When the Evening Comes

We Smile . . .

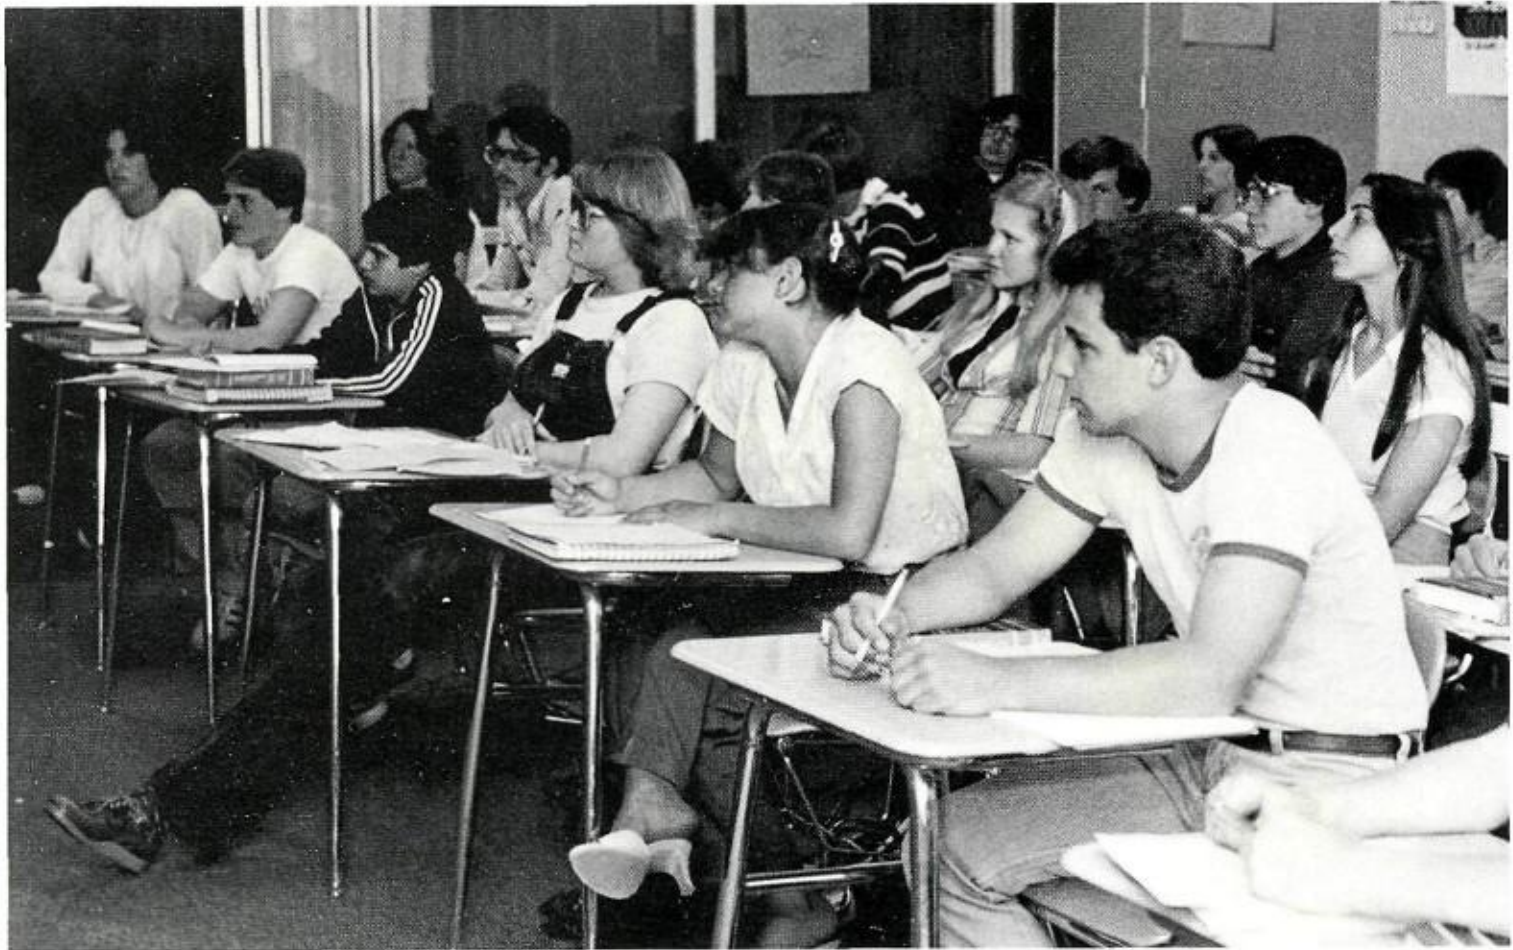

. . . So Much of Life to Live

We'll Find a Place Where . . .

. . . There's Room to Grow

And Yet We've . . .

. . . Just Begun . . .

CLASS OF 1980:

John Steinbeck wrote "...it is customary (indeed, at graduation it is a requirement) for speeches to refer to America as a precious inheritance". I do not mean to fill his requirements in this letter to you. My hope is that I can convey my feelings and, perhaps, Steinbeck's at graduation time. If there is a truth I believe in, then it is probably that life and society run in cycles. Rigid discipline is the way it was when I was your age. Love, Duty, Respect for Mom and Dad, Respect for the Flag and Love for our Country were the order of the day. Time has passed since I was a boy, and with no regret I watched the pendulum swing from strict discipline to a greater freedom of choice and then back to more and more accountability for what we say and, more importantly, for what we do.

Steinbeck also wrote that as Americans "...we are restless, dissatisfied, a searching people, we spend our time searching for security yet hate it when we get it". As Americans, we have been blessed with the simplicity and magnificence of freedom. Because we have so much, we constantly question our good fortune. Like the child at Christmas, we open our presents with a voracious appetite only to survey our world a few days later and ask, "Is that all there is?"

I do not know all that there is. I do know that we, you and I, have been blessed with many things these last four years. We have learned, laughed and loved. We have experienced many happy times and a few that were sad. You have questioned us in so many of the things we have done. You are searching. You are rebellious. You are anxious. That anxiety surfaces in your enormous energy that wants to make things better. Steinbeck said, "Wasted energy is a little problem compared with the lack of it".

America will survive. We have the strength and restlessness of your youth.

You have energy -- use it!
You have learned -- build on it!
You have laughed -- laugh again and again!
You have loved -- never stop!

Congratulations

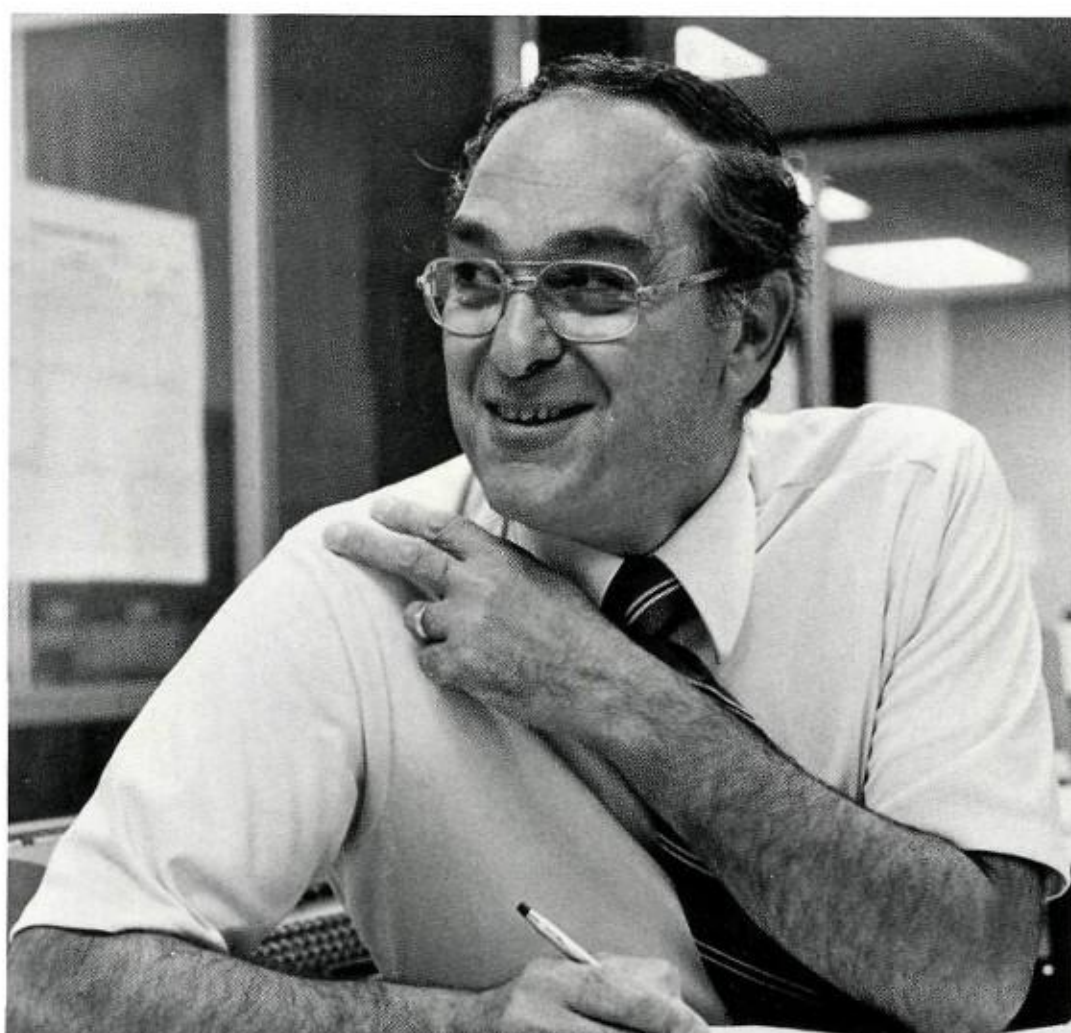

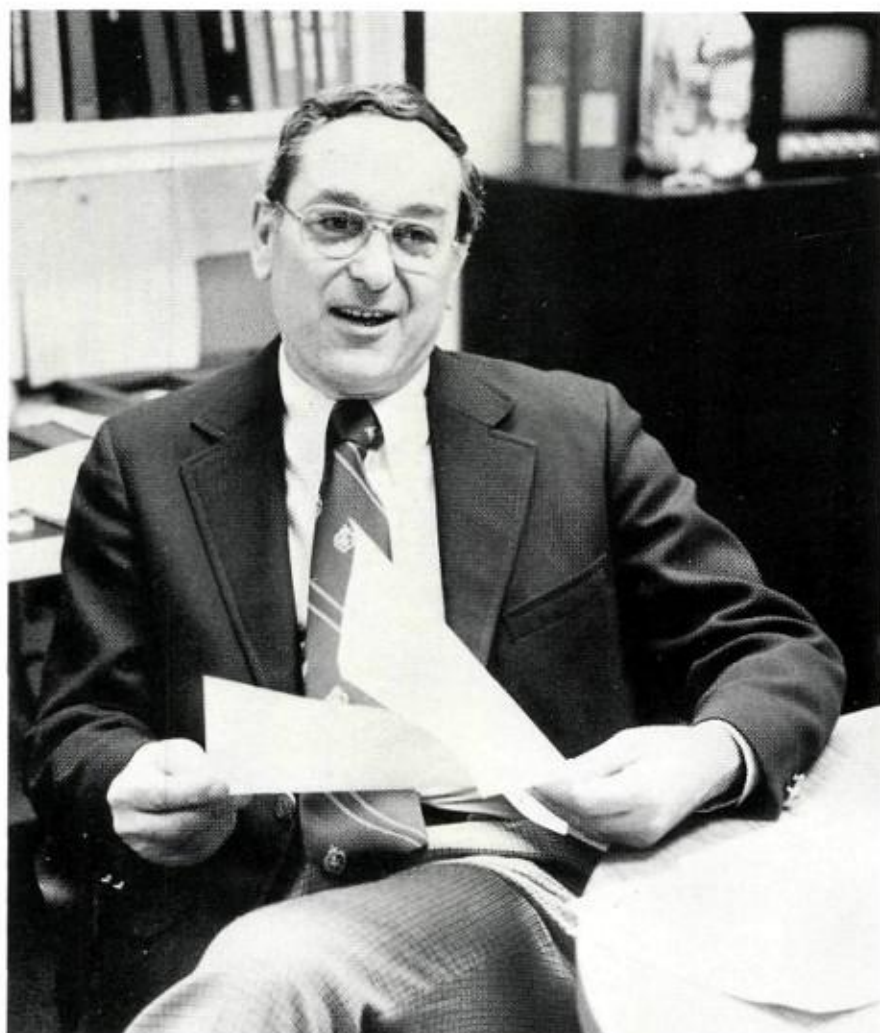

Good Luck

God Bless You

Sincerely,

James L. Salvatore

The Superintendents, the Board of Education, the Principals, and the Guidance Counselors all come under the title of Administration. These members of the Administration are united by the common goal of making our school system the best possible, yet, they each have separate responsibilities in reaching this goal.

The Superintendents and the Board of Education may be thought of as our school system's policy makers, but their job is actually more extensive. They deal with student, social, and educational problems, and resolve them.

The Principal, Mr. Salvatore, and the two Assistant Principals, Mr. Hann and Mr. Zorn, are the administrators stationed in the high school. They deal with the immediate problems that arise during the school day. Mr. Hann handles any disciplinary problems, and Mr. Zorn is in charge of all the student activities.

The Guidance Counselors are administrators who deal directly with students. They aid the students with their course selection and help solve any problems which may occur during the year.

Once the academics are taken care of the students can become involved in a number of after school sports activities all co-ordinated by Mr. Locascio. He organizes a number of different sports for each season, and then arranges schedules with other schools both within and outside of our conference.

So, as a whole, the Administration is a group of hard working people aiding the North Brunswick School System, but it is also comprised of individuals working at their individual assignments to make our high school the best possible.

The North Brunswick Township Board of Education is composed of nine community members. These men and women have the job of making the school operate smoothly. This year, the Board had to work within the limits of a tight budget, making their job that much more difficult.

The Board meets monthly in an open session to which the public is invited. In addition to these meetings there are many closed work sessions in which the basic day to day work is accomplished.

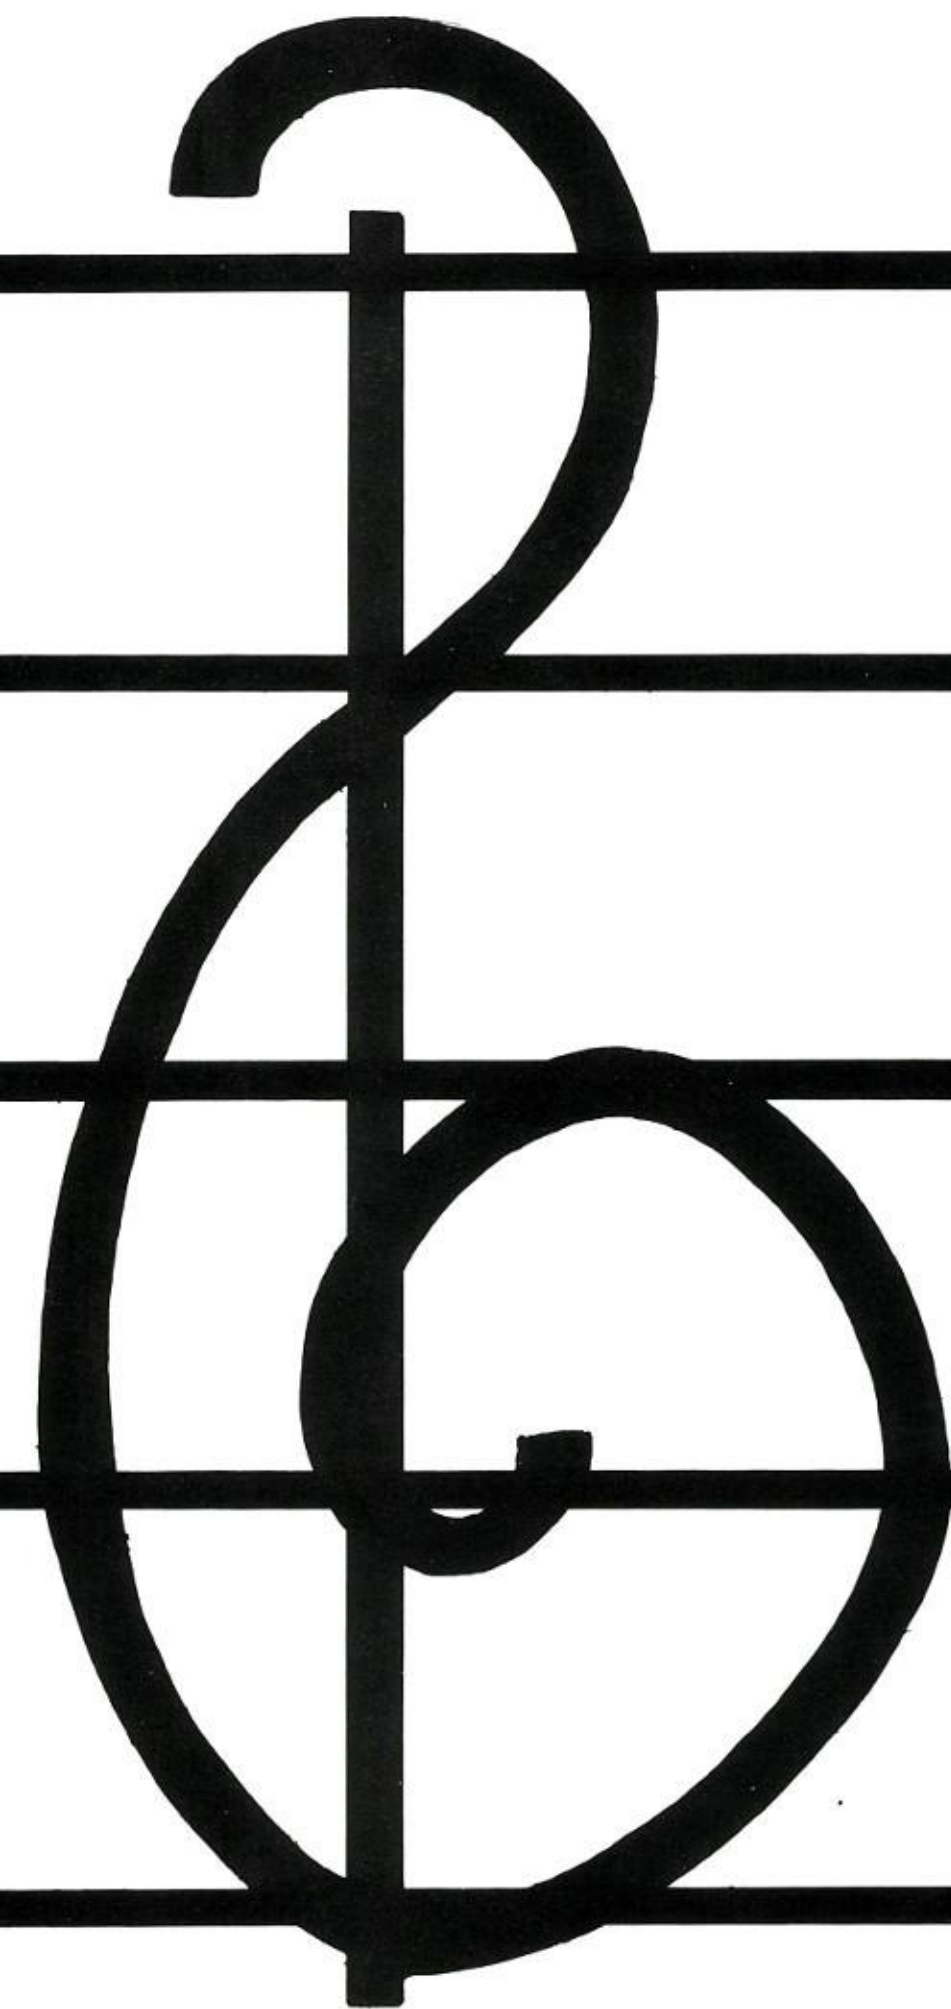

Working along with the Board members are other key administrators; these are: the Superintendent, Assistant Superintendent and the Assistant Superintendent in Charge of Business/Board Secretary.

To the Class of 1980,

When the class of 1980 entered North Brunswick Township High School four years ago, we encountered an entirely new situation; a new building, new teachers and new administrators. We all felt scared, confused, and intimidated by the upperclassmen. We accepted these challenges enthusiastically. Most important of all we all stuck together as a group facing our problems, and meeting these challenges. Today, we look back to them and accept them as learning experiences.

Special friendships and special bonds were created between the members of the class which will remain an important part of our memories of N.B.T.H.S.

During the years we spent together, not only did we grow together, learn together, but most importantly we matured together.

Graduation will mark the beginning of the biggest challenge we will face in our lives. It is time for us to take the first step in the long climb of life. I am sure, most of us will reach the top step. No matter where we go or what we do, the memories that all of us shared here at N.B.T.H.S. will never be forgotten.

It has been an honor and a pleasure to serve as your senior class president. I am grateful for all the good times and the happy memories that I will always look back on. It was a pleasure to be a part of a special group of individuals such as the class of '80.

Good luck and happiness always,

Kitsa Statis

Precious and few

The class of 1980 transformed a rainy Saturday night into a night to remember at their Junior Prom. On April 28th, the Commons reflected the theme, "Moments we two can share" with lavender and pale yellow. The couples danced to the music of "Wild Oats."

The long awaited evening was a success thanks to the hard work of the various committees and the guidance of class advisor, Mr. Charles Chappetto.

Chris Iannaccone and Natalie Marchetta smile at the end of a perfect evening.

Angela Indyk and Tony Parillo share a precious moment together.

Sitting this one out, Kerry O'Laughlin and Danny Mazzeo spend some time together.

The mood of the evening is reflected by Jackie Quinn and Don Cherry.

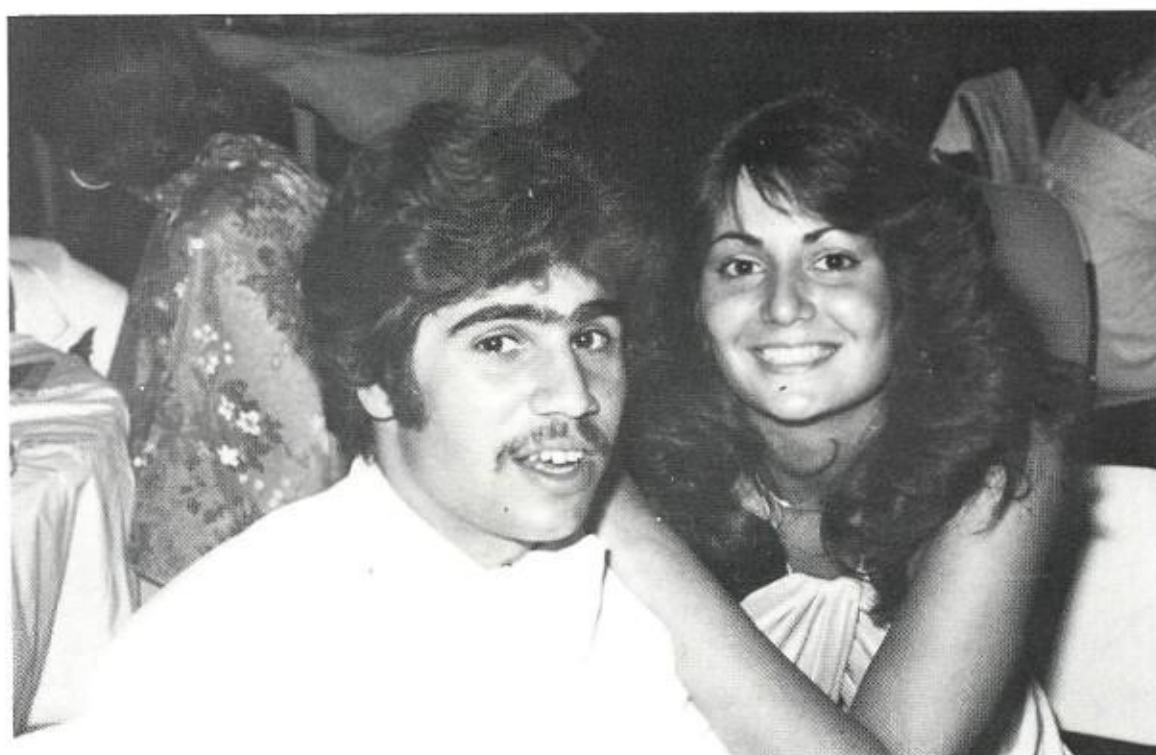

Are the moments we two can share

Mr. Chappetto and Ms. Butterfield dance the night away.

Paul Appleby, JoAnn Aldrich, Sharon Boaz and John Jennings take time out to smile for the camera.

Sue Meier and Bobby Sellari enjoying the evening.

PLACES OF THE PAST

Walking thru places of the past
I remember the things we did
The people we were
And I realize all these things
things of the past
Have now become part of us
We cannot go back to relive
the past
We cannot go back to what we were
But the memories that we have
are just as much
A part of ourselves as what
We are now and it is these
memories
That we relive
And I walk away, with tears in my eyes
Not for what we were but for
What we can never be again.

Tim Brown

Desiderata

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexatious to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.

Ain't No Stoppin' Us Now

An era ended when the cross country teams crossed the finish line for the last time this season. Both the boys' and girls' teams completed their fourth season of competition.

The girls' team, led by senior captains Chris Gromek, Nancy Fitzpatrick, and Donna Ronk, finished another successful season with a 10-1 record. The girls won their straight conference title and placed among the top three teams in Middlesex County. Also they went to the State Finals at Holmdel Park.

The boys were paced by Conference champion Ken Riley and senior co-captain Greg Goebel. Together with the other runners they accumulated a record of 9-2.

Both teams are rebuilding and have a lot of young talent. Next year should be even better for North Brunswick Cross Country Teams.

Co-Captains Tom LaSala and Rob Ibrahim pose with head coach Steve Libro.

Good coaching and some fine talent was the right combination as the Varsity Football team had its best season ever, posting a 9-2 mark.

Led by Middlesex County Coach of the year, Steve Libro, the team decisively beat every opponent but South River. Thus the team advanced to the Group II State Championships.

On the field the team was led by senior quarterback Dave Brown. Brown frustrated opponents with his ability to run and pass with equal skill. In the backfield were all-stars John McGrath and Rob Ibrahim, first and second string respectively. McGrath was switched from offensive end to running back when Pepe McDuffy was injured in the opener, and became the leading scorer in Middlesex County. Place-kicker Steve Superick also went on to win scoring honors.

All of the above were also named B.A.C. All stars along with teammates Tom Fowler, John Janousky, Frank Piazza, Tony Parillo, and Ernie Horvath.

The North Brunswick Varsity Football coaching staff consists of R. Reehill, G. DiTorrice, S. Libro, J. Lind, and J. Danna.

The 1979 N.B.T.H.S. JV Football team was one of the best in the schools history. The team was undefeated with a record of 5 wins and 0 losses. The team was also unscored upon in all five games.

The team was coached by Varsity coaches, so they reflected many of the varsity team's ideas.

The starting quarterback was Steve Superick, who also did the team's kicking duties. Alternating in the backfield were Ken Cosgrove, Chet Weiss, and Jim Danna.

Other main stays for the Raiders were Gary Schoen, Jim Decker, Todd Southard, Mark McDermitt, Bill O'Byrne, Carl Scaturo, Scott Stewart, Jim Jennings, and Pat McGinn. These players also played varsity, thus the team should have another strong season next year.

And Where We End Up

The Freshman football team fights for every yard.

Coached by Charles Young and Joe Brzowski, the 1979 Freshman football team had a great season, sporting an 8-1 record.

The team was led by quarterback Joe Policastro. In the backfield were Mike Previte and Scott Mirinov. Previte was also the team leader in scoring.

Other Key players on the team were Walt Gural, Jay Fritche, Kevin Quish, Kevin Kriegal, Bob Cosgrove, Jimmy Lewis, Kyle Jackocks, Gary Mitchell, and Pete Hems.

Overall, the team had an excellent season, and should strengthen the Junior Varsity next year.

Varsity Football Cheerleaders . . .

The goal of the North Brunswick cheerleaders was to lead the Raider fans in support for the Varsity and Junior Varsity Football and Basketball teams. This year the cheerleaders fulfilled their goals through the spirited enthusiasm they displayed. Their tasks were made easier with the help of winning Raider squads.

Under the direction of Ken Addone and Diane Markert, the cheerleaders showed their well developed talent and the well known sportsmanship, which gives North Brunswick teams fine reputation.

Varsity captains Sue Meier, Jackie Quinn, and Ruth Stasiak were chosen by the other cheerleaders to lead and direct the girls in their exciting routines throughout the seasons.

Being a Raider cheerleader is a difficult, but enjoyable activity. Cheering at the games, making posters, and decorating the lockers were all included in the cheerleaders campaign to boost team morale.

The football seasons differentiate from the basketball seasons for cheerleaders because a certain level of gymnastic ability must be reached in order to make the basketball cheering squad.

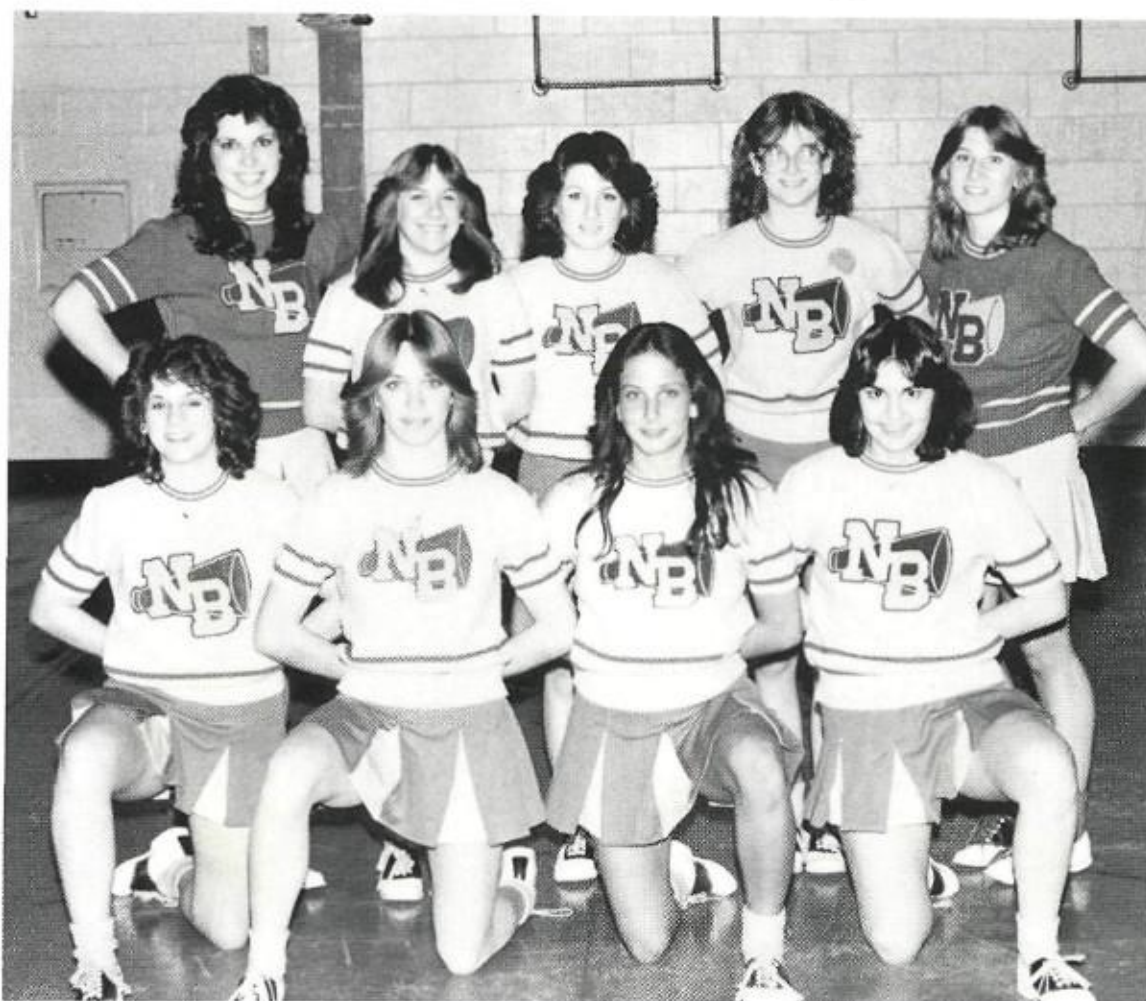

The Junior Varsity cheerleaders play an equally important role in supporting their team. JV cheerleaders were led by captains Annette Scaturo, Terry Pankyo, Carleen Steward, and Debbie Yates.

In its second year of varsity competition and under the guidance of Coach Mary Williston the 1979 girls soccer team produced a 4-6-4 record. What the record fails to show is the hard work and team spirit that helped them through the season. This was evident when the team was seeded fourth in a Middlesex County girls tournament.

With only four graduating seniors, Tina Amato, Michele Biondo, Cathy Hendricks, and Josephine Scimone, next year's team will remain strong.

Skill, level and competitiveness should be the standouts for the team. It is evident that in years to come, the girls varsity soccer team will be very successful.

Another soccer season has come and gone but this time people took notice. This year's soccer club has set a precedent that will be hard to match in the upcoming years.

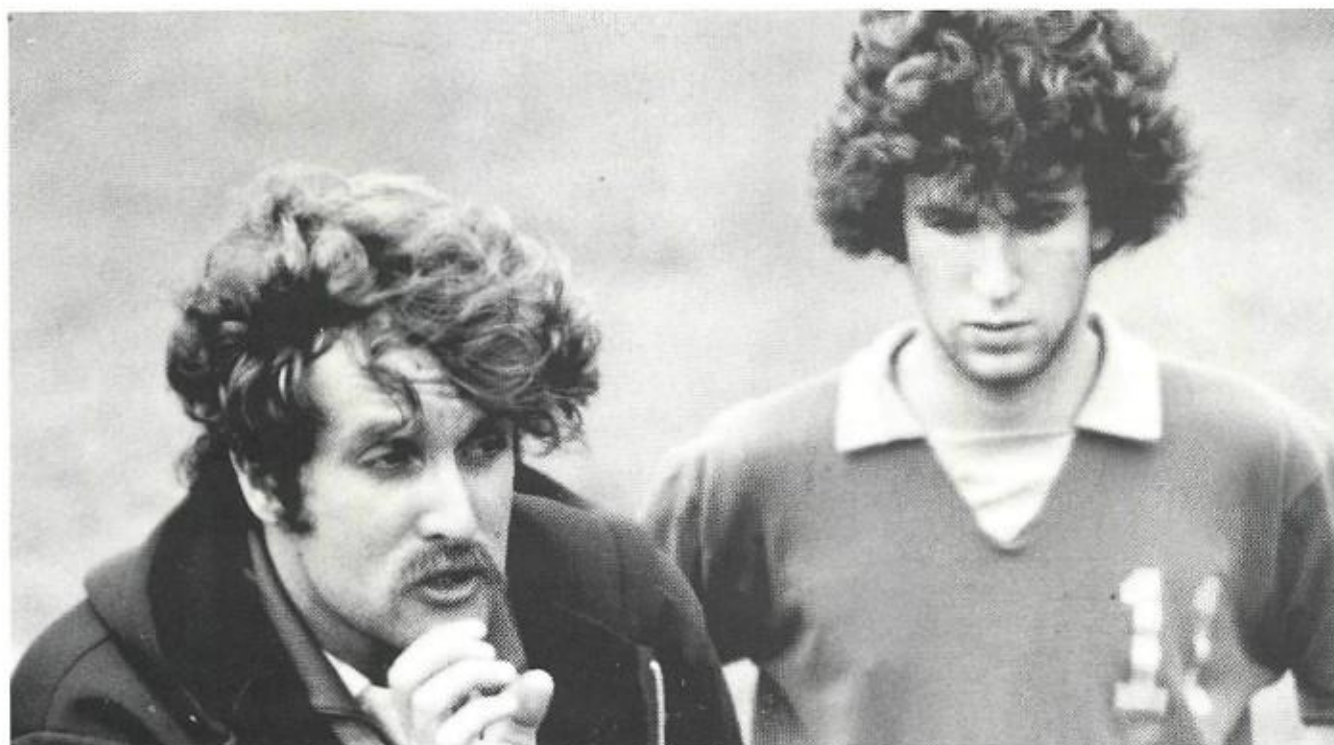

The team, with an excellent record of 12 wins 7 losses gained second place in the BAC after a disappointing loss to South Brunswick, but then did exceptionally well in the state tournament.

Using the system of scoring more goals than the other team as often as possible, the team advanced to an unexpected second in the Central Jersey, Group III State Tournament.

With these accomplishments to their credit this year's players have set a strong foundation for soccer in North Brunswick.

This year's team started the season with a few "radical adjustments", to quote Coach Williston.

For instance, the Raider team played with a goalie this year, something very new to them. This minor adjustment seemed to help the team a great deal judging from their successful second.

Coach Williston instructs the players on a strategic move.

Coach Lykes gives some parting advice to Lisa Pitone.

We're on the Move

Maria DiTorrice goes up for the basket as Theresa McGrath gets ready for the rebound.

After the steal, Michelle Paftinos goes for the quick two points.

After commenting on the Girls' Varsity Basketball season this year, Coach Frandsen smiled and said, "we had a young team."

Posting a .500 mark, this year's squad was a young and aggressive team with all five starters being underclassmen. The early season showed a slow start but their improvement was obvious after the scorebook revealed many close games with highly respected opponents. The game plan consisted of a strong defense and balanced scoring which gave the team its depth.

Senior Cathy Hendricks was an important factor to the team's success because of her ability to play sixth man and handle her position well.

Coach Williston stressed learning and acquiring experience as the top priorities for the Girls Junior Varsity Basketball Team.

The purpose of the JV squad is to develop skills and game strategy for the upcoming Varsity level.

The team shot their way to a .500 mark with the help of sophomores and freshmen. This young JV squad had to rebuild the team and their accomplishments will be rewarded for next year.

Front: M. Schuler, A. Hendricks, C. Hendricks, M. Paftinos, J. Hulse, J. Nesterak. Back: D. Zimmerman, M. Kronemeyer, M. Fitzgerald, T. McGrath, M. DiTorrice, R. Bilyeau, Coach Frandsen.

I Know You Know Someone That Has a Negative Vibe

Coaches Frandsen and Williston watch the Varsity squad inspectingly.

And If You're Trying To Make It

Quickness and dribbling abilities are shown by Lisa Racz in her attempt to fake out the opponent.

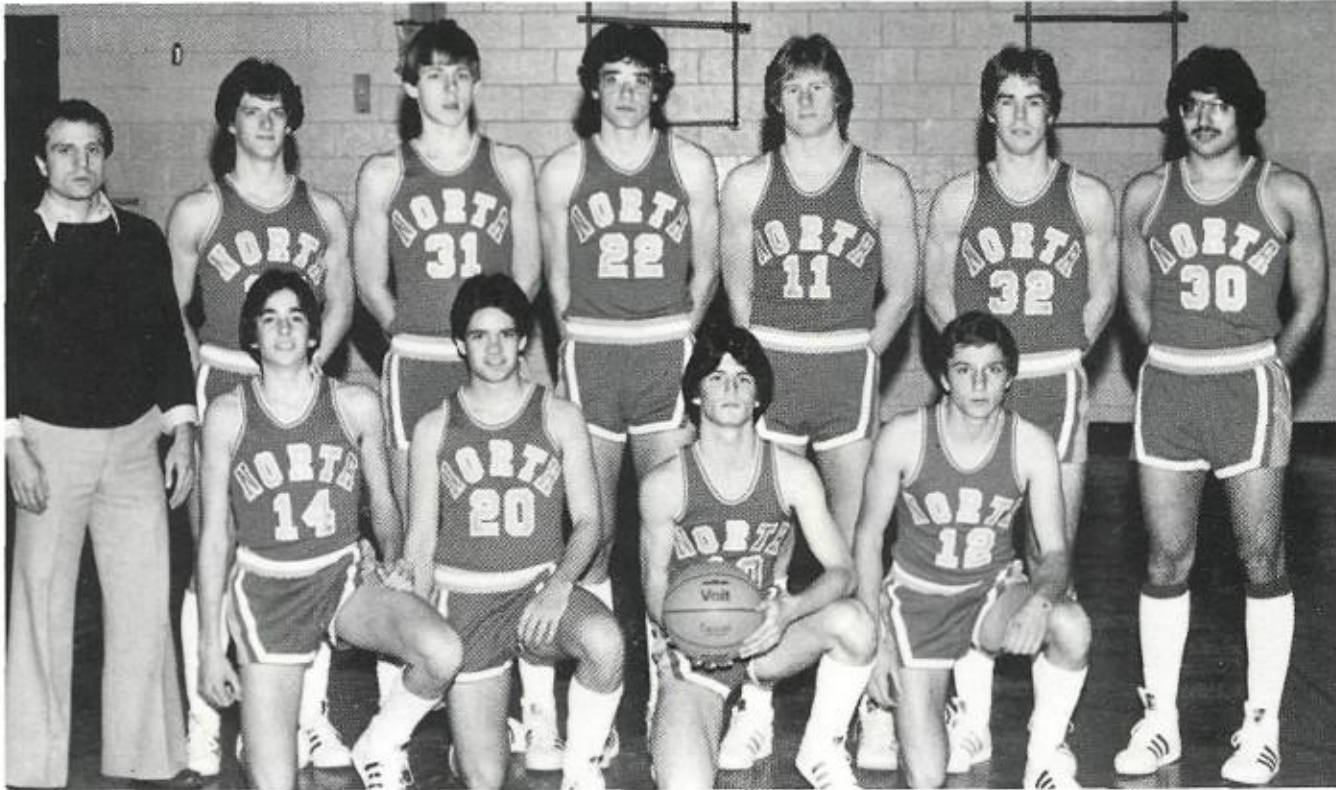

The JV bench is occupied by V. Previte, P. Kane, and D. Selover.

Front row: P. Kane, P. Stewart, W. Lockhart, L. Racz, T. Figot. Back row: C. Williston, D. Selover, D. Jennings, L. Pueleio, and V. Previte.

They Only Push You Aside

Front row: E. Knopf, K. Cosgrove, G. Herzfeld, D. Brown. Back row: B. Iannone, J. McGraw, M. Nita, S. Lewis, J. McGrath, D. Salva, R. Ibrahim.

The 1979-1980 Varsity Basketball team had an excellent season, losing to only two teams in conference play. Coached by Bruno Iannone, the team displayed a tough full court man to man defense and a three two offense.

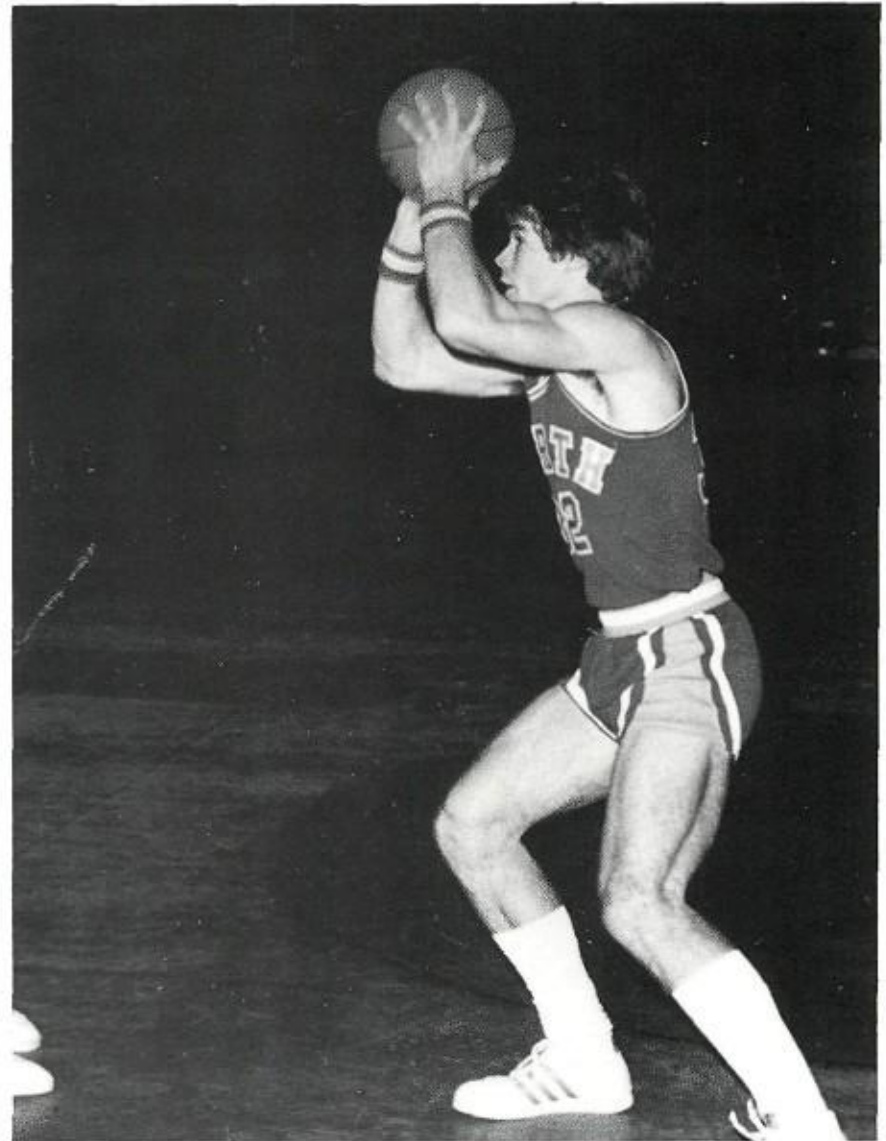

The court leader was, senior guard and captain of the team, Dave Salva. Salva was the Middlesex County's leading scorer with about a 24 point average, and also surpassed the one-thousand point mark last year. Teaming up with Salva in the backcourt was junior Mike Nita. Nita averaged about 17 points a game. Under the boards was Steve Lewis, the leading rebounder, with help from John McGrath, Rob Ibrahim, and Ricky Malinowski.

Other mainstays were Chris Tabourne, Eric Knopf, Dave Ostrazewski, Gary Herzfeld, Ken Cosgrove, and Tug McGraw.

Overall, the team's season was a strong one, and they played in the state's Group II tournament.

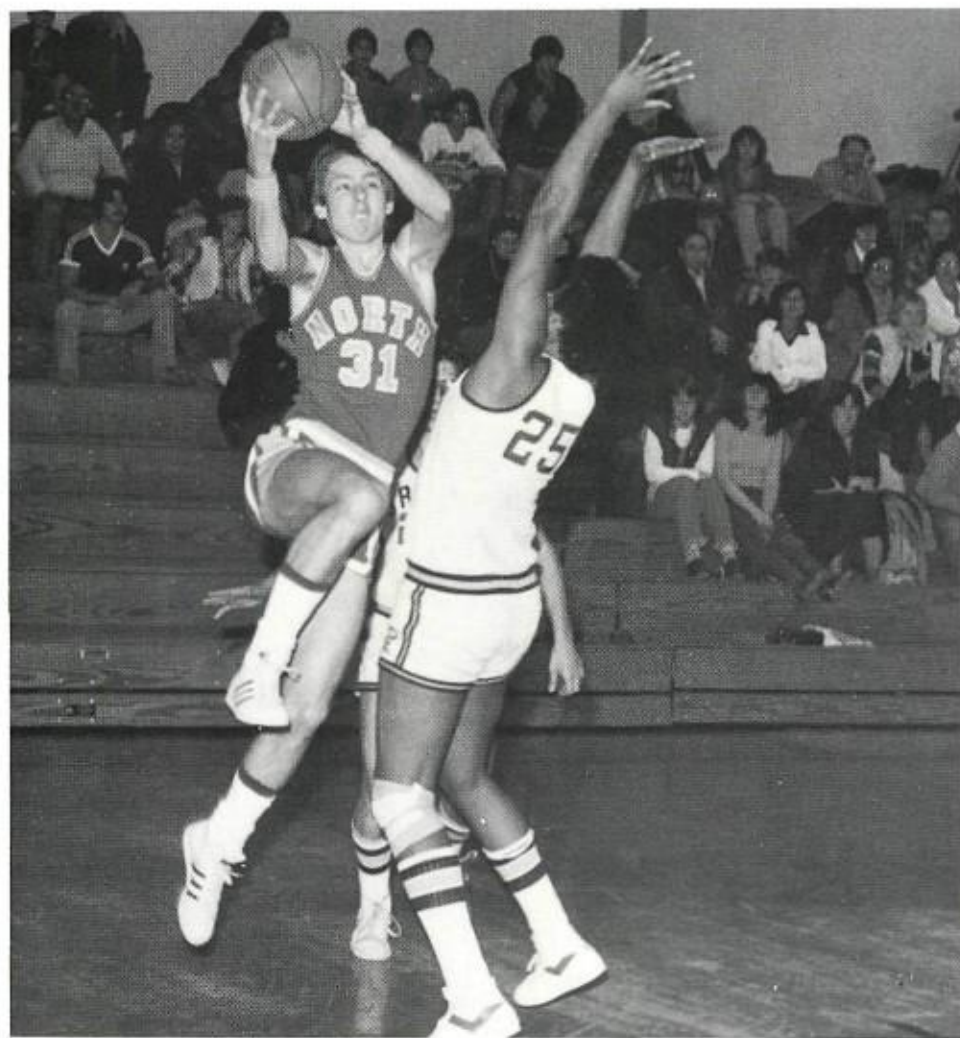

Team members listen to Coach Iannone as he instructs them on strategy.

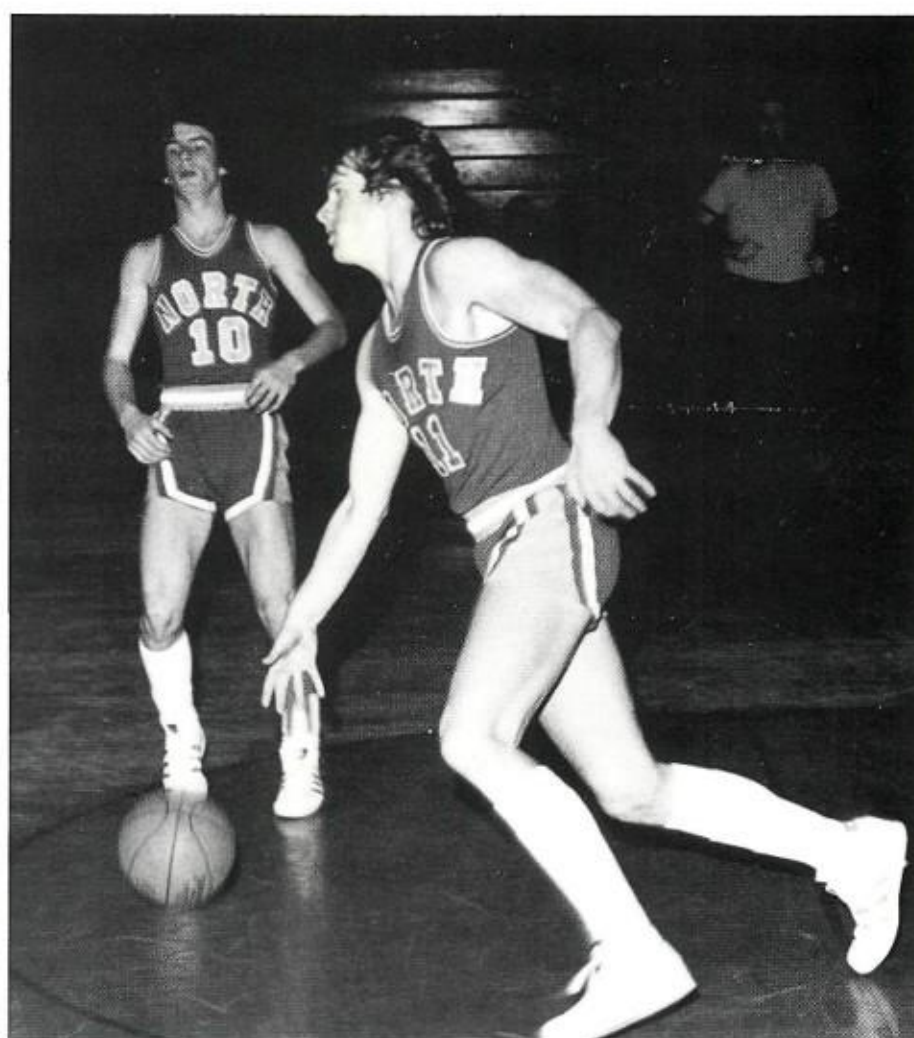

Senior Dave Salva looks for an open player in the key.

They Really Have Nowhere To Go

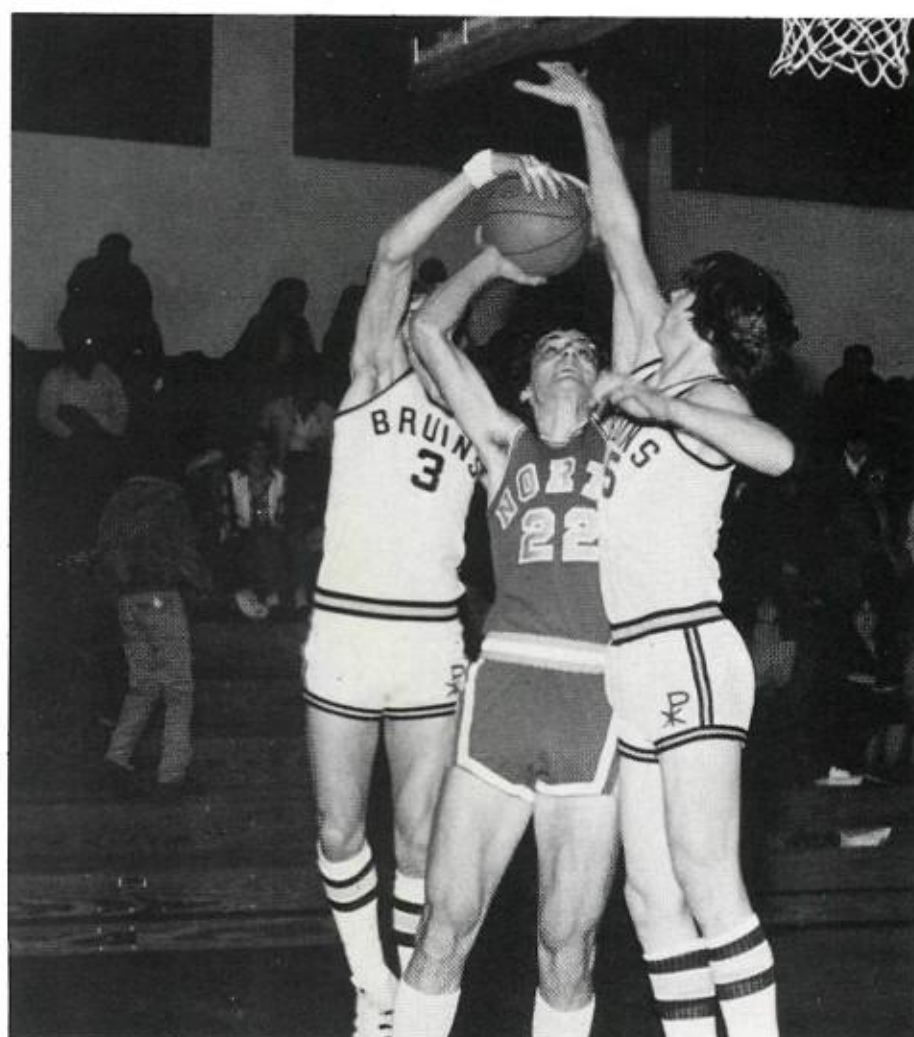

Mike Nita drives around his opponent for two.

John McGrath goes down court for a possible basket.

Rob Ibrahim goes to the line trying to stretch the lead to 21-8.

Center Steve Lewis is fouled while putting up a shot.

Front Row: J. Donahue, C. Dimino, P. Donahue, S. Mirinov. Back Row: Coach Brzowski, K. Chandlee, M. Piazza, S. Racz, D. Ostrazewski, C. Tabourne, J. White, (not in photo).

The 1979-1980 J.V. Basketball team had a better than 500 percent season posting a 10-8 record. The team also participated in a Junior Varsity tournament in East Brunswick.

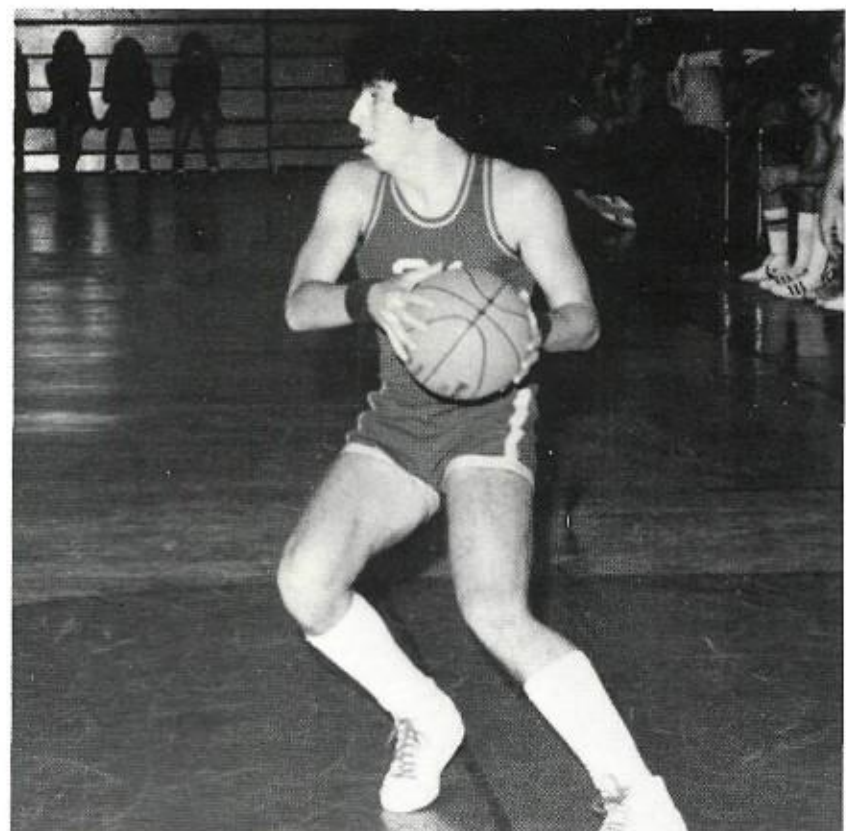

Led by Coach Brzowski the team used many ideas of the varsity, including a man to man defense and a 3-2 offense. However the team also displayed a 2-3 zone.

The team captain was Chris Dimino, who was teamed up in the backcourt with point guard Pat Donahue. Also in the backcourt was Jim Donahue with Kevin Chandlee. Under the boards was center Chris Tabourne, forwards Dave Ostrazewski, Scott Mirinov, Scott Racz, Jim White, and Mike Piazza.

Overall the team had a very strong year and should strengthen the varsity squad next year.

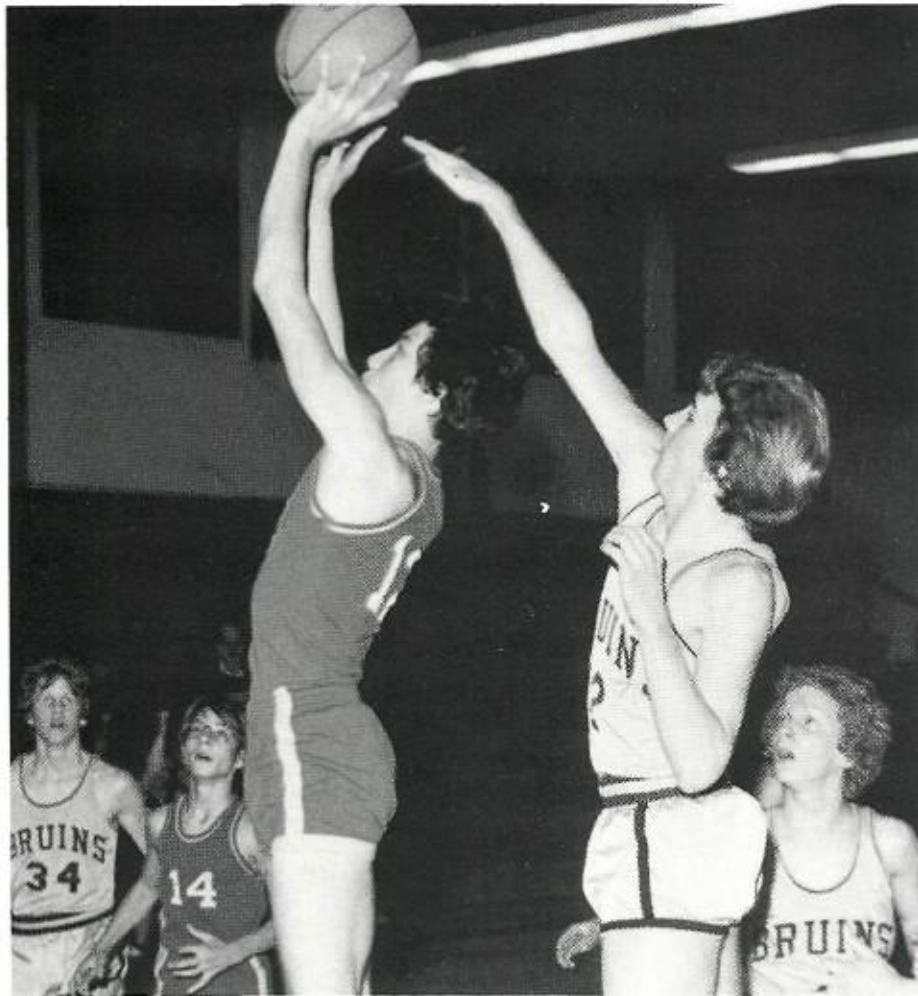

Pat Donahue drives to the net, eluding pressure from the opponent.

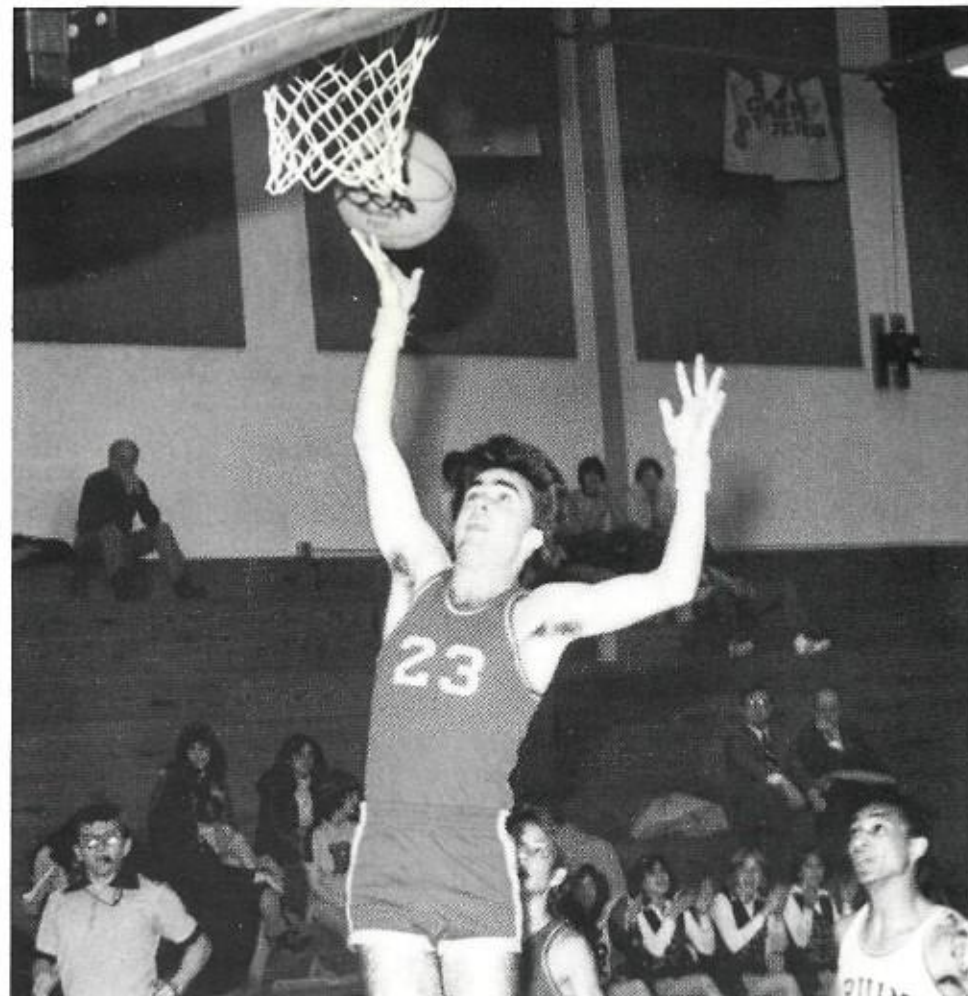

Chris Dimino looks for an opening in the opponents defense.

Ask Them Where They Are Going

The opposition sizes up to Scott Mironov.

Kevin Chandlee prepares himself for another successful lay-up.

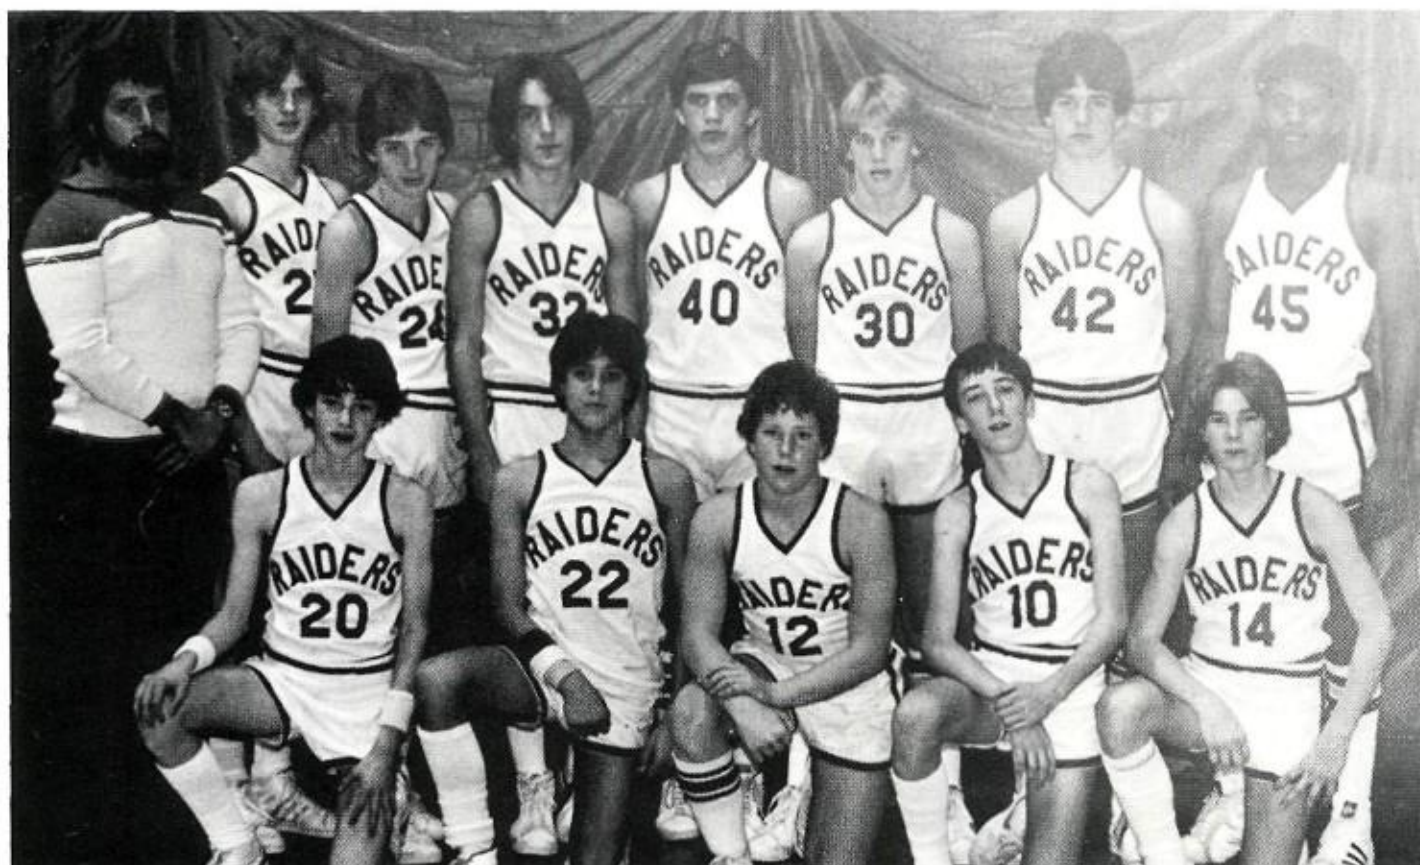

Scott Racz says, "I'll never drink before a game, again," as his head gets tangled in the net!

Dave Ostrazewski utilizes every ounce of energy to recover the ball.

They Don't Know

First Row: K. Hudson, J. Policastro, M. Nowitzke, A. Welch, M. Weingarten. Back Row: Coach Steinmetz, S. Pettick, F. Gordon, T. Sachetti, M. Whalen, E. Zadina, J. Fritche, K. Jackocks.

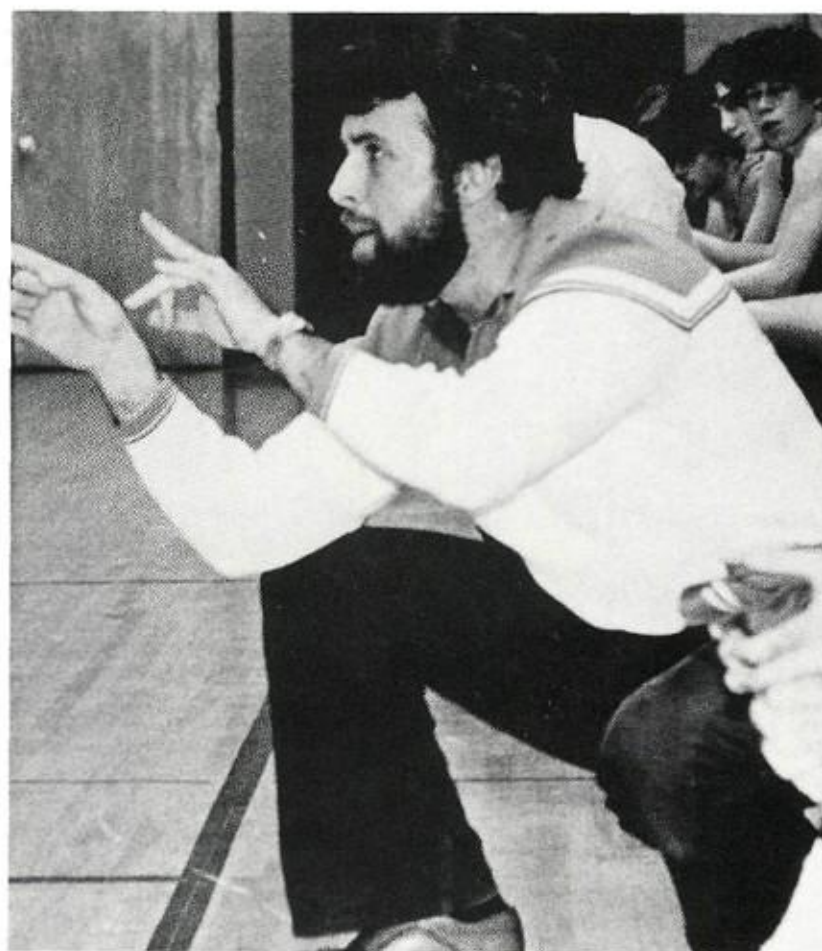

The Freshman Basketball Team struggled with a slow start but came through winning some key games in the latter part of the season.

The team was coached by Steve Steinmetz, and the games were played in the high school for the first time. On the court the team was led by guards Joe Policastro and Kevin Hudson. Both ran the team and were the teams leading scorers. Under the boards were Jay Fritche and Kyle Jackocks. Other contributors during the season were Bill Delayo, Mark Weingarten, Tom Sachetti, and Andy Welch.

On the whole, the team had a fine season with big wins over New Brunswick and St. Josephs.

Jumping high in the opening tap, Kyle Jackocks aims for another Raider player.

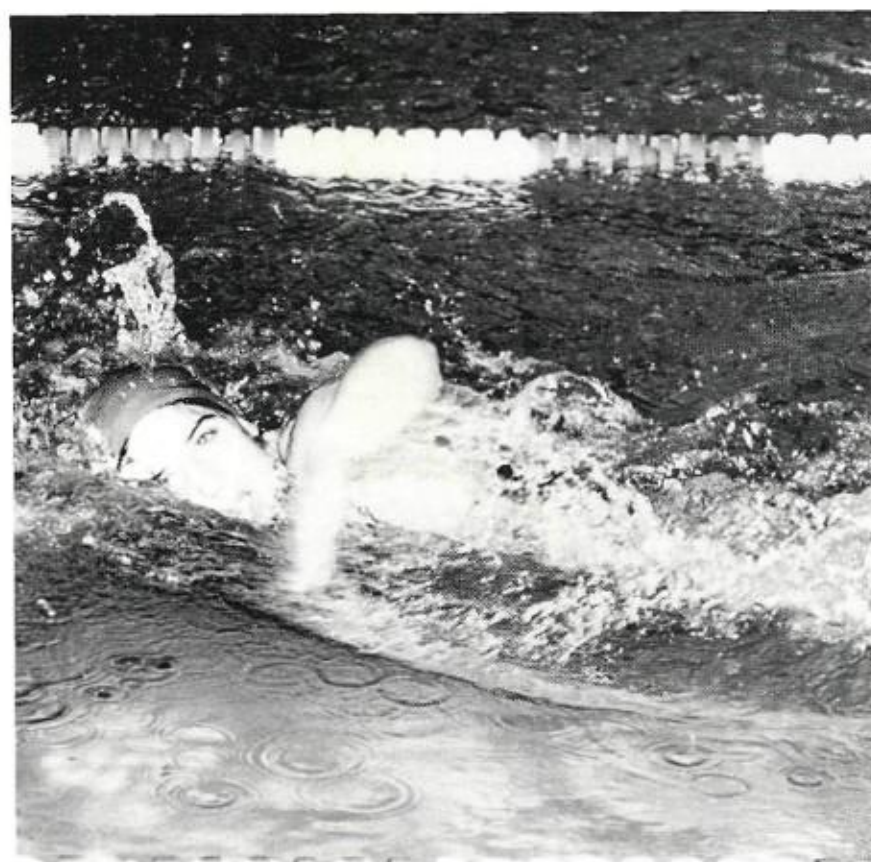

Coach Steven Steinmetz calls the play from the sideline.

But We Don't Let Nothing

Lynn Thompson receives the remnants of her teammates speedy departure.

Lori Weinhaus shows us her freestyle technique.

The NBTHS Swim Team coached by Mr. Greg Anderson has progressed steadily this year. The team captains, Mars Anagnou and Judy Majeski, guide the team during practices and set a good example for them to follow. This years team will be losing 10 Seniors but there is a sufficient amount of Juniors and Sophomores to keep the team ahead. Kay Andrews, a Junior swimmer for the school, is a two time All-American in free style swimming. She received this title in her Freshman and Sophomore years and hopes to retain it again this year.

The NBTHS Diving Team has an impressive record this year with Mr. Mikilos as coach. The team will be losing two Seniors, Marie Fitzgerald, a four year diver, and Dave Osika a three year diver. But the team has three Juniors, two Sophomores, and four Freshmen to keep the team running smoothly in the upcoming years. This year a new boys record was set at 185.1 by Neil Razzano which was previously held by Tony Sellari. Coach Mikilos says, "I'm looking forward to the year 200 is broken."

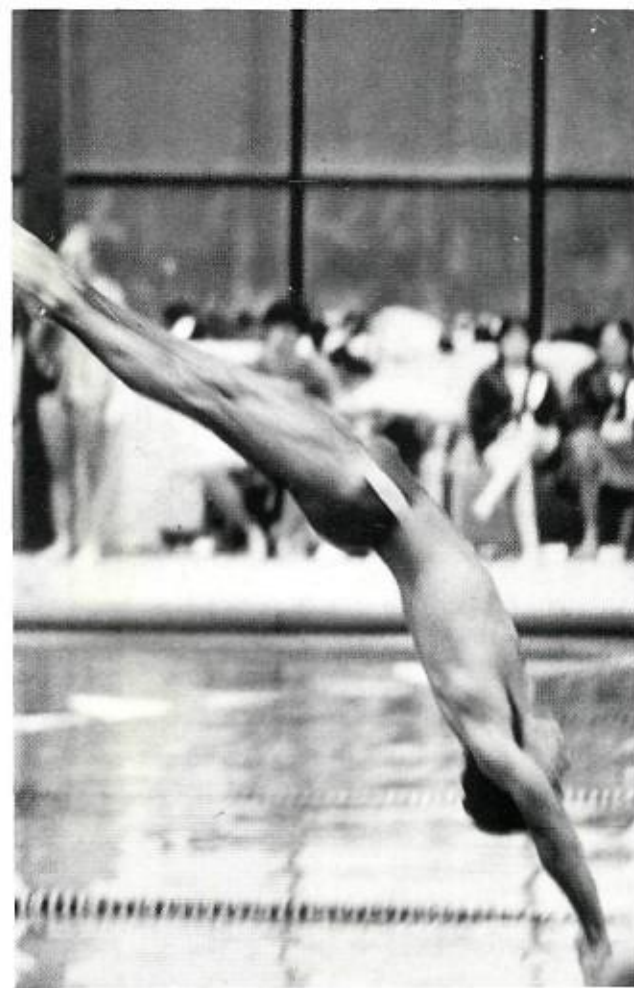

So both the swimming and diving teams are progressing and hope to keep doing so until they're No. 1.

Neil Razzano is headed for the water.

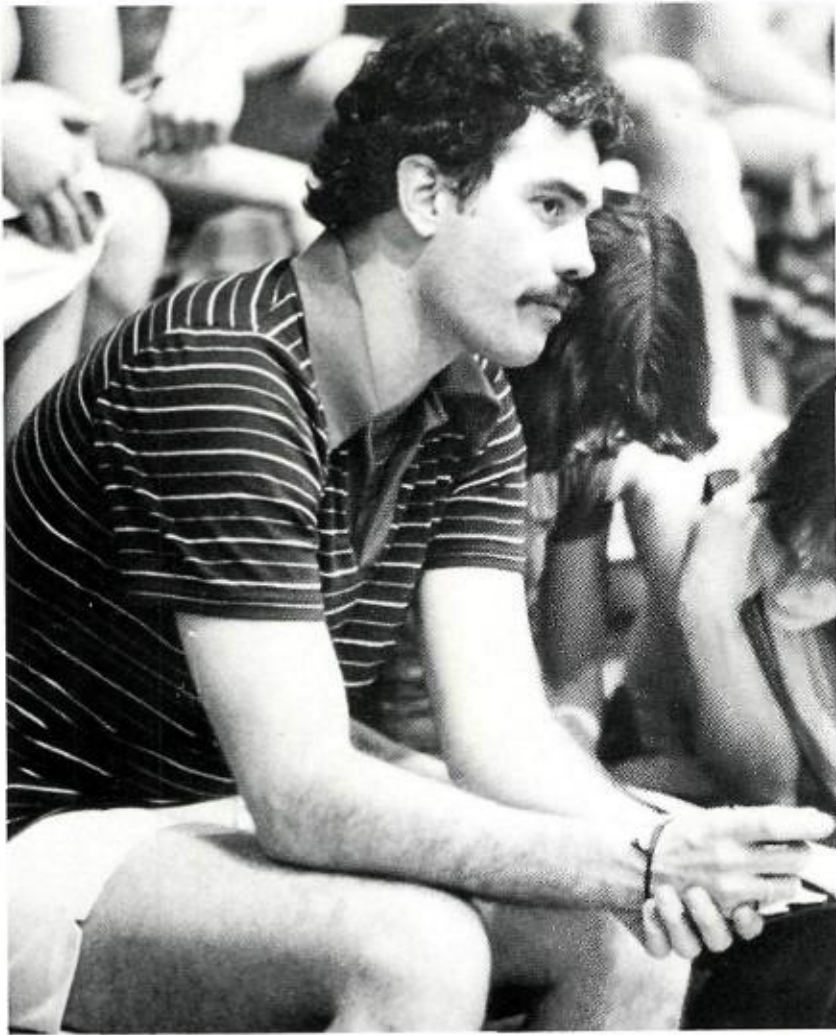

Vicky Weinhaus' tumbles off the diving board.

Tony Sellari shows off his muscular bod.

Hold Us Back

Tension builds as Coach Anderson watches the final lap.

We're Polishing Our Act

Ken Riley pushes his stamina to the end.

Tony Parillo's skillful technique is displayed by his winning distance.

The 1979-1980 Winter Track team had a fantastic season including winning the Bicentennial Athletic Conference Championships with a record of 6-1. They also won the small school title.

Outstanding athletes on the track team were hurdler and high jumper Bob Beathea, sprinters Lloyd Mandel and Greg Gobel running the $\frac{1}{2}$ and the $\frac{1}{4}$ mile, Ken Riley running all of the long distance races, and Chet Weiss in the high jump. They also won the Bicentennial Athletic Conference Championships in a dramatic finish, when Senior Chuck Gaspari edged out his Highland Park opponent at the finish line, clinching his first place position in this race.

The girls track team, led by Coach Gara, went undefeated this year. The girls Varsity track team consisted of shot-putter Vicki Albert, sprinter Missi Bern, hurdler Sue Schenkel, and Kathy Heinz and Chris Gromek running long distance.

Overall both the boys and girls winter varsity track teams had a strong season, and are looking forward to another, again next year.

Chuck Gaspari and Chet Weiss pour it on toward the tape.

Hurdler Angela Karas glides over on her way to victory.

Bob Beathea starts his kick to the finish line.

Sue Schenkel widens her lead as teammate Kerry O'Laughlin moves into second.

Since their existence, the Raider Wrestlers have had their first winning season (13-9) under the coaching of Mr. Krawec, Mr. Cranell, and Senior captain Joe Lupo. The team is still young and is looking forward to next season where they have their sights set on winning the conference. There are two seniors leaving the team, Joe Lupo and Greg Hochstrasser, so NBTHS will have to look for success next year from Cliff Hall and Carl Scaturro.

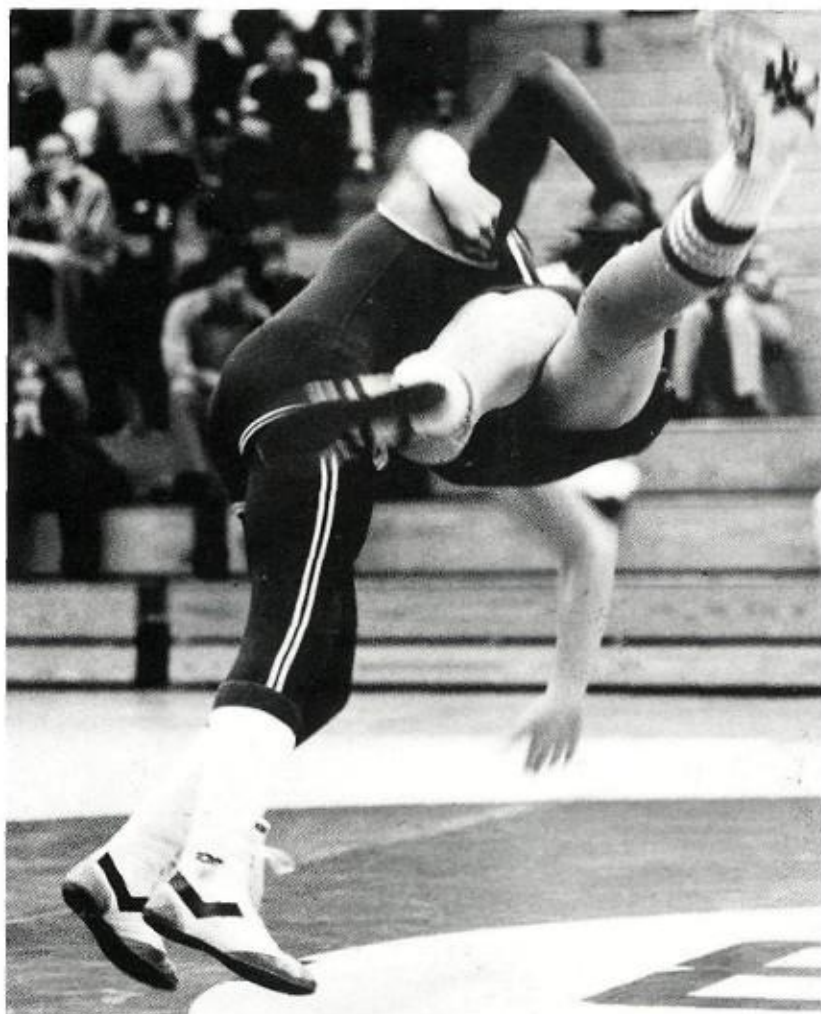

Coaches Cranell and Krawec study the form of one of their matmen.

Life
so many phases
The phases
played in harmony
Complementing each other like
the notes of a song.

We change
take on new challenges
Growing
from children to adults.

And we've begun
begun with the sunset
The end—which leads to our beginning
in singing the SONGS OF LIFE.
